

PATENT ATTORNEY | **NAM IP Group**

[CHEMICAL•BIO•PHARM GROUP]

Min-jae KIM

YEAR OF PRACTICE

- 2020 ~ Present

EDUCATIONAL BACKGROUND

- Sungkyunkwan University, BS in Chemistry (2018)

ADMISSIONS / AFFILIATIONS

- Admitted to Patent Bar (2020)

TECHNICAL EXPERTISE

- Chemicals, organic and inorganic materials
- Polymeric compounds, nanotechnology, catalysis, secondary batteries, and fuel cells, etc.

CONTACT

- Tel: 02-6714-1009
- Email: mjkim@nampat.co.kr
- Language: Korean/ English

PROFESSIONAL EXPERIENCE

- Consultations with inventors from universities, research institutes, large corporations, and SMEs, and preparation of patent specifications
- Filing and prosecution of patent and utility model applications in Korea and abroad, including PCT applications
- Handling of patent cases related to secondary batteries and fuel cells
- Handling of patent cases related to organic and inorganic materials
